

## Dissemination

- Industrial Maths JiscM@il, ESGI email lists
- MI-NET website, social media
- OCIAM bulletin

## Impact

- Support for study groups and modelling weeks (e.g. Oxford June 2016, Glasgow September 2016, Edinburgh May 2017)
- Travel support for UK researchers to overseas study groups
- Short-term study missions (both to and from UK), especially as follow-up to study groups

## Future plans

- Annual Study Groups with Industry
- Specialised Study Groups (e.g. recent themes of Agri-Food, Energy systems; organised by KTN)
- Upcoming EPSRC / Innovate UK KTN review of Knowledge Exchange in the Mathematical Sciences
